Flaunting a fresh sound of foot-stomping Alt Pop/Rock, Izzy T brings a unique fusion of guitar melodies and electronic beats, driven by her coolly seductive yet fiercely powerful vocals.

Just a few of months into 2021, Izzy has released a rock cover of Miley Cyrus's "Midnight Sky". This has gone viral over facebook & Instagram with over 341.5k views. Following this, an explosive, critically acclaimed new single, 'Nuclear' ft UK rap artist Ben Hunter was premiered by Wonderland magazine, played by BBC Introducing, and featured by Alt Press, Rolling Stone, Louder Than War & more.

She has already been tipped by the likes of Rolling Stone & Louder Than War as one of the top 40 artists to watch for 2021.

Izzy has already made her mark on iconic stages across the globe, including the Birmingham Barclaycard Arena (supporting Placebo), Nashville's Tootsies, and LA's Hotel Cafe. Press highlights include features in Billboard magazine, Rolling Stone, Wonderland, Earmilk, BBC interviews and iconic Pride main stage performances.

New music is being produced with Los Angeles platinum mixing/mastering engineer and producer David Gnozzi, also creator and personality of the popular YouTube channel 'MixbusTV'. A three month recording/writing visit to Los Angeles, followed by a UK tour is set for the rest of 2021.
